

St. Charbel Rheumatology

Medical Disclaimer

Effective Date: July 30, 2026

The information contained on this website is provided for educational and informational purposes only and is not intended to constitute medical advice, diagnosis, or treatment.

Information presented on this website should not be used as a substitute for consultation with a qualified healthcare professional who can evaluate your individual circumstances.

Reliance upon information provided through this website is solely at your own risk.

Use of this website, viewing educational materials, or participating in a complimentary introductory consultation does not establish a physician-patient relationship with St. Charbel Health, PLLC, St. Charbel Rheumatology, or Susan Boackle, MD.

This website is not intended for emergency medical situations. If you believe you are experiencing a medical emergency, call 911 or seek immediate medical care.

A physician-patient relationship is established only after the patient has completed the practice intake process and undergone a Comprehensive Evaluation, and both physician and patient have mutually agreed to enter into an ongoing clinical relationship.
